

电池围仓 Battery compartment

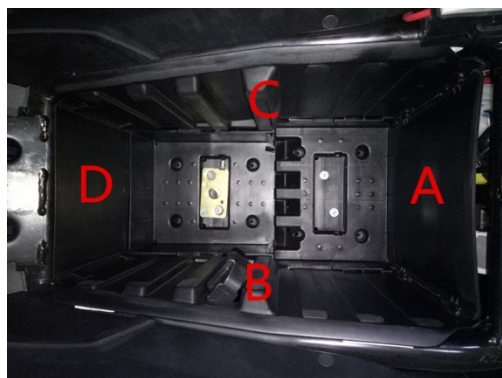

准备工作：Preparatory work:

取出锂电池-----见第一章 12 节

Remove the lithium battery - See Section 12 of Chapter I

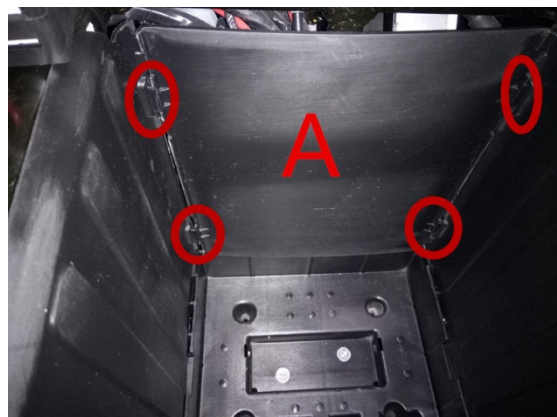

电池围仓是由四块板卡在一起组合而成

The battery compartment is made up of four boards

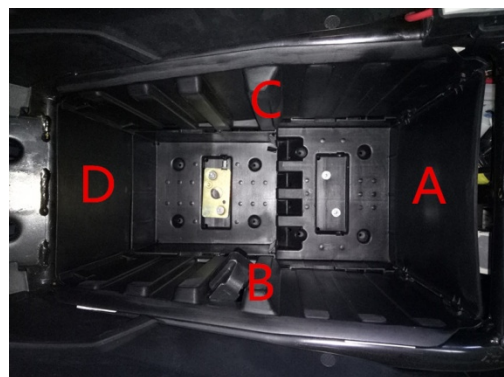

先把 A 面四个卡扣拆开，取出 A 面

Take the four buckles of A side apart and remove the A side

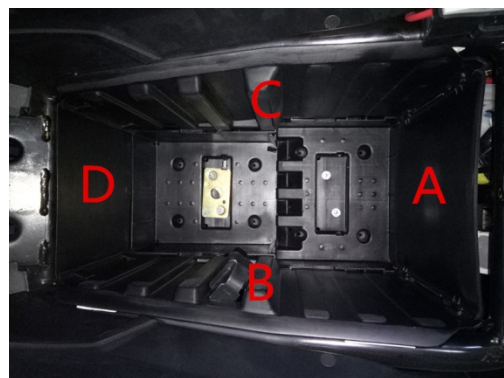

从 B 面右处向上拔，把 B 面从电池托盘卡扣拔出

Pull up the right of B side, to pull the B side out from the battery tray buckle

从 C 面右处向上拔，把 C 面从电池托盘卡扣拔出

Pull up the right of C side, to pull the C side out from the battery tray buckle

取出 B、C、D 三面围仓

Take out B, C and D compartments
